Start SCRATCH

Scratch is a programming platform that runs in your browser.

Open your browser and go to:

← → C 🔒 Secure | https://scratch.mit.edu

And click on:

TRY IT OUT
You can change the language by clicking on the globe icon...

... in the menu:

SCRATCH ⊕ File ▼ Edit ▼ Tips About

Join SCRATCH

If you join Scratch, your project will automatically be saved on the server and you will not lose your programs when the browser's window is closed.

Do it

Click on the "Join" button:

Join Scratch

And then create your account:

Join Scratch

It's easy (and free!) to sign up for a Scratch account.

Choose a Scratch Username	
Choose a Password	
Confirm Password	

Don't use your real name
